FIG. 12

A cross-sectional view of a mechanical assembly 100, taken along line Y3-Y4. The assembly includes a main body 100 with a central bore. A component 102 is positioned within the bore, and a component 108 is located above it. A component 106 is shown at the bottom, and a component 107 is located below the main body. A component 103 is shown at the top. A dashed line Y3-Y4 indicates the section line, with an arrow pointing to the left labeled Y4.
